

# NEW CEILING LIGHTS

PLUS Catalogue Category:

Ceiling light

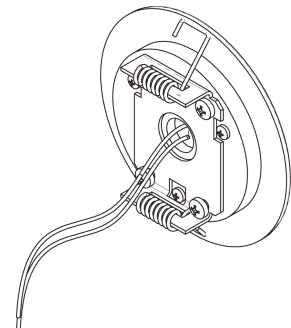

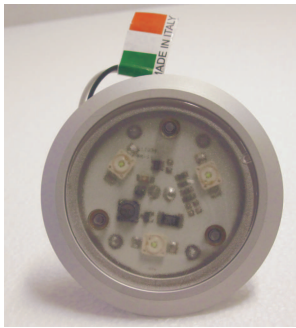

## General description

These linear or round ceiling lights feature power LEDs with cold white (CW) and warm white (WW) emitted light with several power options. The switching regulator included allows a functioning with a wide range of power supply going from 10 to 30V. *Soft start* versions (/S) feature smooth lightning when turning ON.

## Homologation

Homologation ECE REG. 10 (electromagnetic stability) pending .

## ROUND CEILING LIGHTS

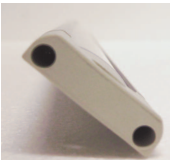

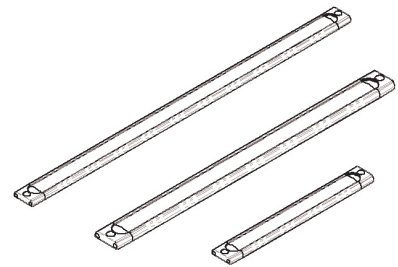

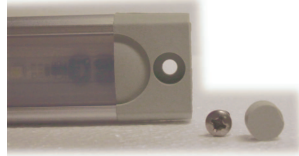

CW= Cold White;  
WW= Warm White;  
/S= soft start
